SUNDAY APPEAL

SUNDAY MORNING, : : : : MAY 30, 1869.

NEWS OF THE DAY.

The trouble among the Pennsylva If not fishy, is certainly ugly, and which Boston is to have another artistic

sensation in the shape of the new eques trian statue of Washington, by Ball which is to be set up on the Fourth of Jul The management of the Sing Sing

prison may be admirable, but it is unfor tunate in so often leading to had results The last is the mysterious escape of the desperate criminal known as the butcher In Pennsylvania, the persons hav-

ing the management of the grave decorating business have righteously resolved to decorate the graves of Federal and Confederate soldiers alike. The result of the French elections

furnishes only one more illustration of the traditional character of the French people. The moderate republican candidates were besten everywhere, and only Ex-Lieut.-Gov. Reynolds, of Mis-

souri, on the 27th instant, restored the original great seal of the State of Missouri, neatly encased in a box of chony. It had been in his possession ever since the inception of the fate civil war. The New York Tribune says: The

The Massachusetts Legislature has assed a bill anthorizing any married woman to be an executrix, administrix guardian or trustee-positions from which married women have been beretofere debarred by the laws of the State thous nmarried women have been eligible.

investigate the doings of Judge Busteed is en route to Montgomery. Ala, where Judge Busteed is now-holding a term of the Federal court. It is expected that the investigation will be the crasure of an e from Judge Busteed's name, leaving him a Judge Busteed.

Gen. Garfield, as sub-Congressional Committee of Congress, arrived at Washon Thursday, The Com-will be in session several weeks, preparing forms for next census, which will include mining and condition of freedmen in connection with industries, etc.; crops, bills and tables will be ready for Congress soon after the commencement of the next

Indiana is becoming important as a obscooppoducing State. The soil is well dapted to its growth, particularly in the Greene, Daviess, Martin, Gibson, Warric Pike, Knox, Spencer, Perry, Crawford and Harrison, where it is cultivated upon almost every farm. At the little town of Huntington, Dubois county, there are four extensive tobacco stemmeries, from

which were shipped the past year 700 hogsheads of tobacco, valued at \$250,000. On Monday next resolutions will, it On Alonday next resolutions will, it is expected, be adopted by the Canadian Parliament, relative to the acquisition of Hudson's Bay territory, asking the Queen to unite Prince Rupert's Land and the new territory with the dominion of Canadian, on the terms prayed for in the joint address of both branches of the late Parliament. The Canadian Government is to make provisions for the protection of in. nake provisions for the protection of In-

The following gentlemen compose the Board of Visitors appointed to affend the annual examination of the West Point Military Academy, which takes place on the lst of June: Gen. W. Hunter, Gen. Gresham and Gen. John Eaton. of Ten-nessee; Hon. B. T. Lean, of Missouri

For some months past there has been gadding about the official purlicus of Washington a female in breeches, known individual has not yet so completely succeeded in changing her sex as she thinks she might if she could get an office of some kind. The latest report is, that, to get rid of her importunities and breaches, first position in Alaska. For the credit of the sex she diagraces, it is to be hoped be within the past month, by intelligent will do so. Let her be sent to some place. and where, among Esquimaux barbarians, she can witness the practical working of the doctrine of woman's right to do the

work of the other sex. At Eric, Pa., on the 27th instant, a wery important case was brought before
Justice Gamison. A short time since the
printers employed in the Republican office
of that city, coased work, having learned
the first of April last.

ble Dan-you can't read it?' "No, massa, can't 'zactly read 'em but I can spell 'em out a little." "What's the use of spelling it out: You can't understand it any way, The Bible, for instance, says that 'the very hairs on our head are numbered Now you haven't any hair on your head-nothing but wool. What do you say to that?"

"Yes, massa, I 'spect dat's so; but I spell out one little verse, which say dat on las' day de sheep dey will go one side and de goats on todder. Now de sheep has de wool, but de goats dey got har, just like white folks; and I 'spect dey ain't gwine to be sayed— dat's wot I 'spect.''

A Remarkable Episcopate. It is well known that the Bishop of the Methodist Episcopal Church in this country are not diocesans, but exercise a joint and general authority over the whole church. One of them, Bishop Kingsley, is about to start on a course of Episcopal visitations, which affords a striking illustration of the breadth of the field over which our American Methodists have extended their missionary operations. He goes first to Colorado, where he will organize an Annual Conference Thence to Oregon, to superintend the meeting of Conference. Then back to the California Conference, and then to Shanghai in China, and from that to the Conference in Northern India. After that he is to visit the work in Germany, Denmark, Sweden and other European countries. This visi-tation round the world is to end in France next summer, and the Bisho expects to reach his home again, if lif is spared, in September of next year. programme of this tour the days of the month are specified on which each meeting is to be held; and such is the completeness of modern arrangements for travel that very lit tle apprehension is entertained of failure in the appointments. We ar often told that the drum-beat of the British army is heard round the entire world, but we have never heard

of a tour of inspection in that organization to complete the circuit of the globe in fifteen months. The Great Meteor. A brilliant meteor was observed in Philadelphia, about eleven o'clock, on Thursday evening, May 20th, and was noticed from several widely remote positions in the United States, Accounts have been received from New York, Hartford and Boston. meteor is described as fully as large as the famous meteor of 1859, and as first red in color and afterwards green. In Philadelphia, it appeared to shoot across the heavens from southwest to casting shadows in the street. same appearance is described at Hart- PACKET COMPANY. blessed,

ford, where the meteor grew rapidly
from the size of a star to a large ball
of fire. The Boston account says the color was scarlet, and the size that of a twelve-pound cannon ball. The New York account varies from the others in the direction of the flight of the meteor, which, it is reported, shot across the horizon at a point ten deover an acre of thirty degrees in a northwesterly direction. However, as northwesterly direction. However, as northwesterly direction. However, as Tuesdays, at 5 o'clock p.m.

Steamer W. A. CALDWELL, five seconds, great accuracy of description cannot be obtained except from practised observers.

Ruskin on Judas.

John Ruskin, in "The Crown of Wild Olives," characterizes in his trenchant style those who like to make money as imitators of Judas: We do great injustice to Iscariot in thinking him wicked above all common wickedness. He was only common money lover, and like all money lovers, did not understand Christ; couldn't make out the worth of him or meaning of him. He didn't want him to be killed. He was hor agents, appears, from the published that the Radicals cannot find in their ror-struck when he found that Christ reports, to be a victory for the Liber- party good and consistent Union men would be killed; threw his money the outside, which statement of figures the would show the old relic to be a bankrupt tiff, or lower house of the French Parkstution.

to run for office, but have to hunt up to run for office, but have to run for office, but have to run for office, but seekers, think you, would have the grace to hang themselves, whoever they killed? But Judas was a common, selfish, muddle-headed, pilfering fellow; his hand always in the bag of the poor, not caring for them. He didn't understand Christ, yet he believed in him much more than most The Rev. Henry Ward Beecher rid- of us do; had seen him do miracles

Mrs. Gen. Gaines will arrive in Nev Orleans to-morrow morning. In that city, on the 1st of June, Justice Wayne compromise by the defendants as the plaintiff will accept; it being, she says, merely her wish to have her rights recognized, and to overturn the millions of interest which have accrued from it through illegal appropriation of her property. The Supreme Court, at its last sitting, directed Judge Wayne to enforce its de-cree as he proposes to do in June, and the end of the causa celebre is proba-

YANNISSEE WHISKEY!

Having learned that parties in Louisville, Cincinnati and this city pre tend to sell the "Yannissee" Whiskey, we hereby give notice that we will bring suit for damages against any RESPONSIBLE party we may discover attempting to sell this brand of Whiskey, and will publish them as selling a SPURIOUS article. We have had the sole use and control of the "Yannisee" brand for nearly twenty years, and none is genuise without our brand
